

Dear Colleagues,

The Erasmus Course MRI Head & Neck will be organised from 7- 11 February 2022 in the beautiful city of Bruges. Five days of lectures by leaders in this field with full afternoon workshops in small groups, covering all Head & Neck topics, see programme in attachment. We hope to be able to welcome you in Bruges.

Prof. dr. Jan Casselman – Local organizer.

The banner features the word "ERASMUS" written vertically in large, white, sans-serif letters on a dark blue background. To the right of the text are four MRI scan images: a 3D reconstruction of a blood vessel, a cross-section of a head, a cross-section of a neck, and a cross-section of a shoulder. At the top right, the Bayer HealthCare and Bayer Schering Pharma logos are displayed. Below the MRI images, the text "Erasmus Course MRI Head & Neck" and "7-11 February 2022 Bruges" is written in white. At the bottom, the logo for "az sint-jan brugge" is shown, along with the email address "erasmuscours2022@azsintjan.be" and the website "EMRI office:www.emricourse.org". The logo for "eshnr" (European Society of Head and Neck Radiology) is also present at the bottom right.
